INTRODUCTION

In this project we have made a marketing website through which user can buy products related to their need.

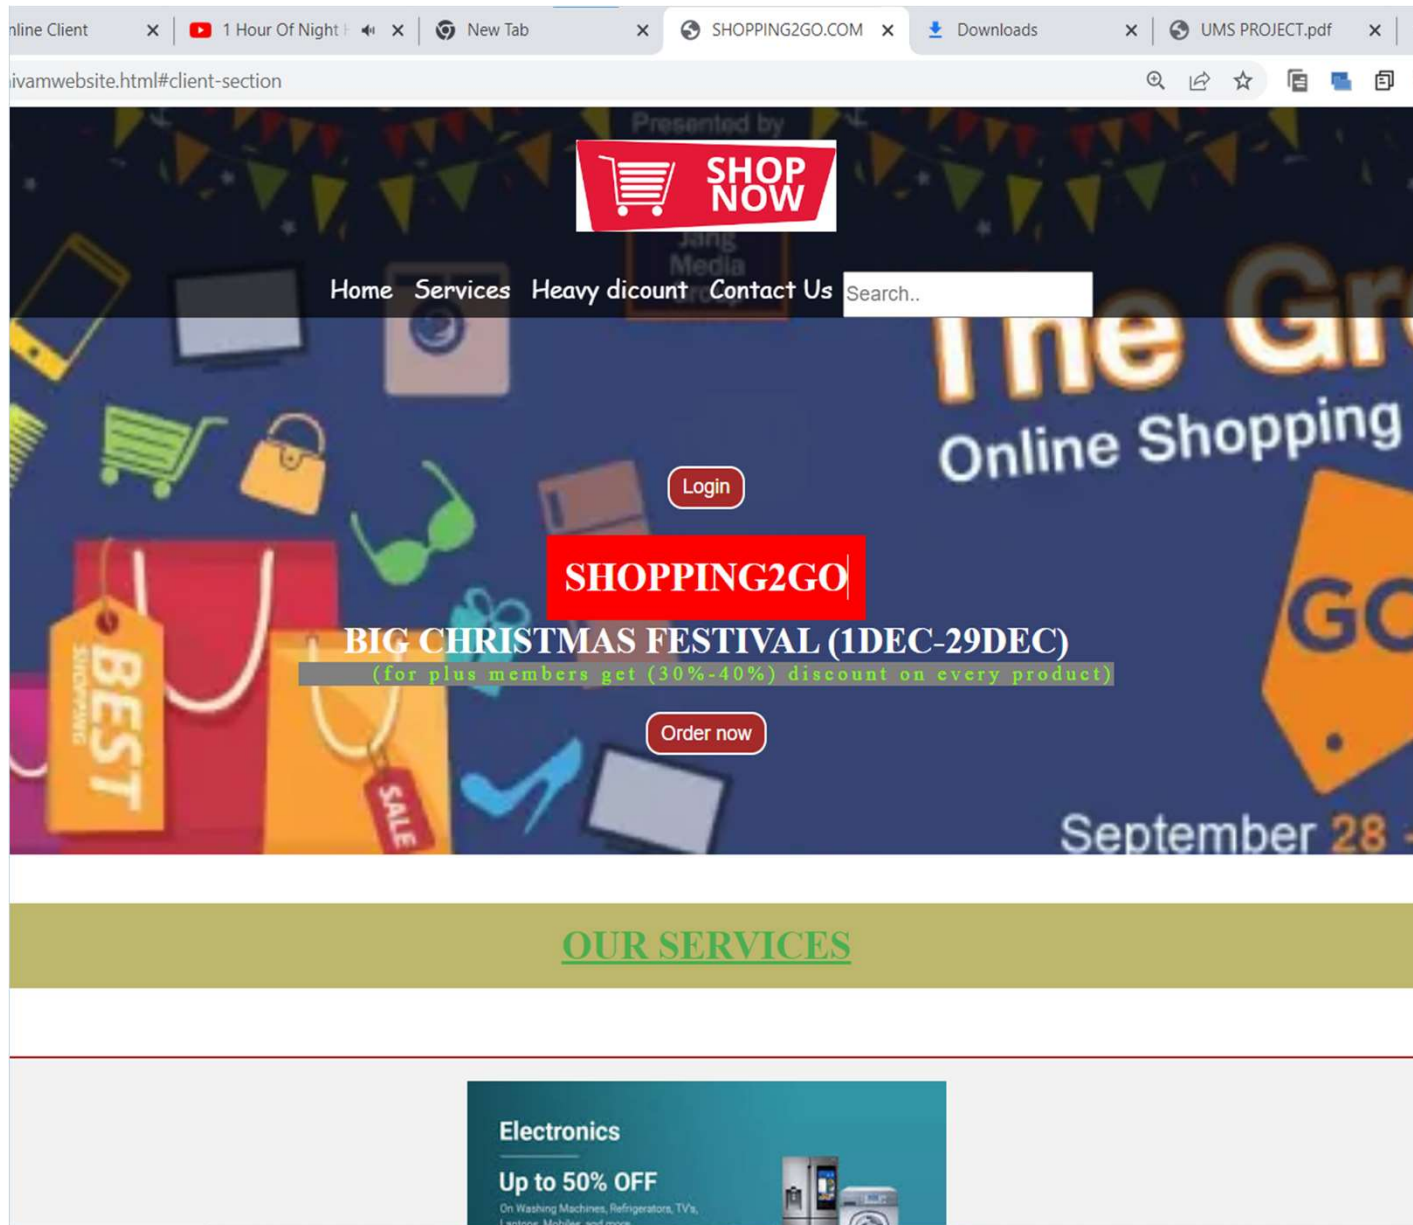

Currently there is a Christmas sale is live where user have access to buy products on very high discounted price.

We also allows user to buy wholesale products in which they get very high discount price on some specific products.

Our login page allows you to become our regular customer.

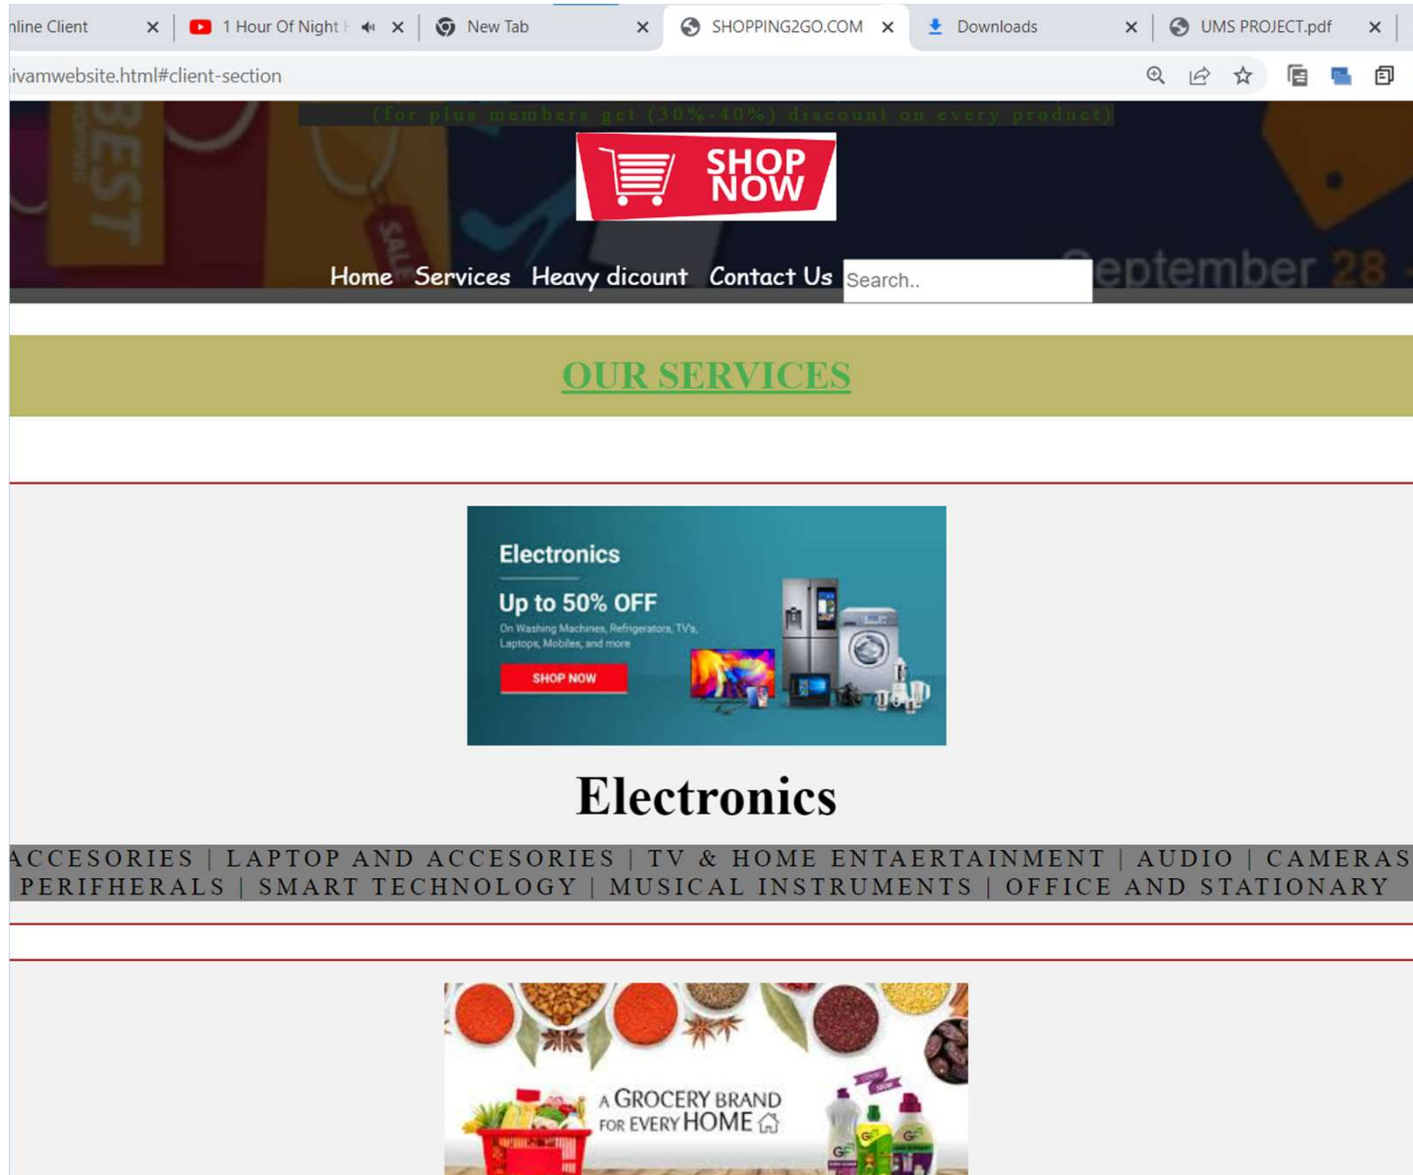

Features Of The Project

- Login page allows the users to login to their respective SHOPPING2GO account.
- Home section
- Contact box is available
- Services
- Heavy discount
- Search bar
- Order Now button available

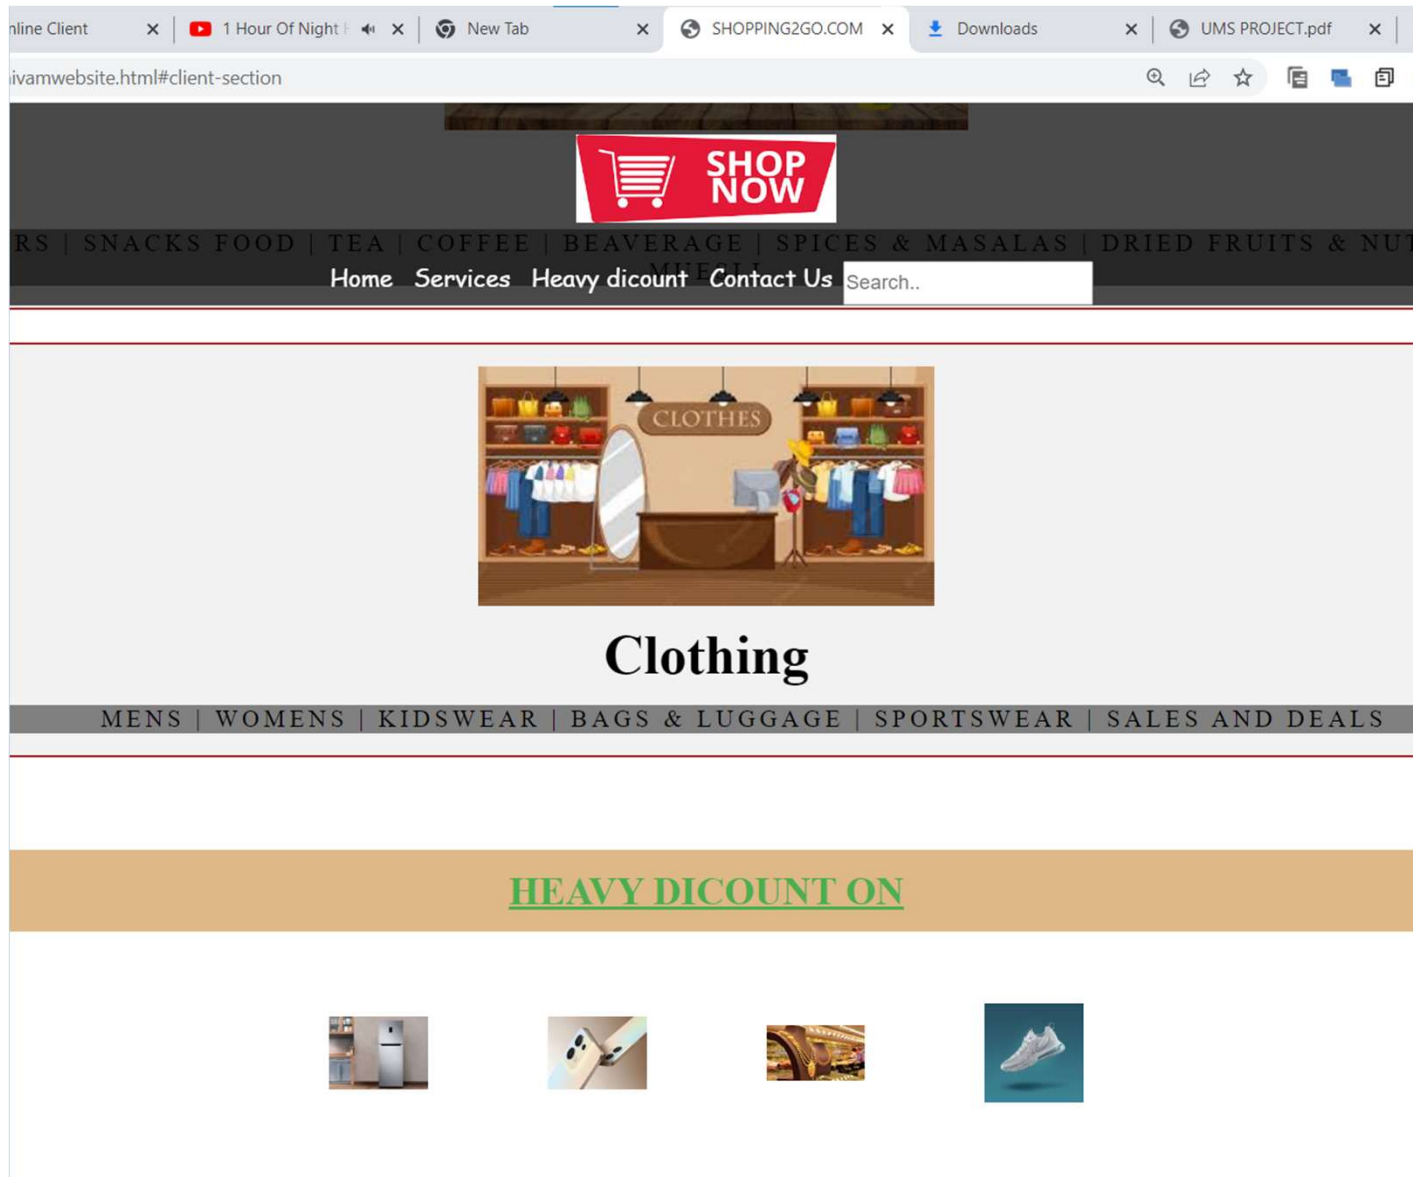

SHOPPING2GO

This the first page of our website.

SHOPPING2GO

This the second page that is our services.

SHOPPING2GO

This is the third page that is related to heavy discounted products.

ACKNOWLEDGEMENT

We would like to express special thanks of gratitude to our INTERNET PROGRAMMING CSE326 subject teacher , Miss Isha, who gave us the golden opportunity to work for this project. This project has helped us in doing a lot of research and we came to know about so many things.

I am extremely grateful to all my friends who gave me wonderful suggestions, and criticism which came handy for making of this project.
